## Sept. meeting

Bill Bierly, who was scheduled to talk on U.S. patterns, has rescheduled his presentation to Feb. 20, 2008.

The September meeting will be devoted to a discussion of recent events and an extended show and tell.

## Events

Labor Day show - The executive committee canceled the show in August, citing poor dealer participation.

New president - Bill Kamb has resigned as president. First Vice President Keith Klinger has assumed those duties.

## July meeting

As you probably know, there was no July meeting. We learned at the last minute that the building would be closed for two weeks in July while the roof was being replaced.

Bill Smith's talk on foreign paper will be rescheduled to sometime next year.

## Jackpot

The pot starts fresh.

## Show & Tell

Share one of your new purchases or old prizes with the club.

We're all interested to some degree in just about anything round. Bring one of your coins to the meeting and tell us about it, even if just for a minute or two.

## Members in the news

Wendell Wolka was elected a governor of the ANA as part of a reform slate on July 25.

Voted into office were seven newcomers led by veteran hobby publisher Clifford Mishler, followed by Chester L. Krause, Edward C. Rochette, Joseph E. Boling, Radford Stearns, Walter Ostromecki and Wendell Wolka.

On Aug. 2 Wendell gave a great presentation at the Ross Historical Center in Sidney on Ohio obsolete currency.

Past President Bill Kamb is quoted in an article in the Sept. issue of the Numismatist. The article, Safe Landing on Terra Nova, quotes from an article Bill wrote for The CN Journal in 2001 and ends with a mention of the Newfoundland coin club bill formed at the 2006 Canadian Numismatic Association convention.
